# TRADING PLATFORMS & CONNECTIVITY

Hantec Markets' best-in-class trading platforms provide you with all the data and tools to securely and efficiently execute trades, build your portfolio, and capitalise on opportunities across asset classes and geographies.

Our platforms bring you real-time data with prices aggregated from licensed sources to make sure you always get the best bid and offer per symbol. You also benefit from full access to up to 5 years of historical data to allow validation and verification to help you test your strategies before putting them into action.

## METATRADER 4 (MT4)

The most popular trading platform in the world is offered to you as a Hantec Markets client. With its intuitive nature and customisable interface, the multi-asset platform provides a stable and secure trading environment with industry-leading charting and advanced analytics. Its in-built code library offers clients the ability to create or download custom indicators to enhance their technical analysis. The use of Expert Advisors is also supported allowing clients to take advantage of trading opportunities 24/5 with automated trading systems.

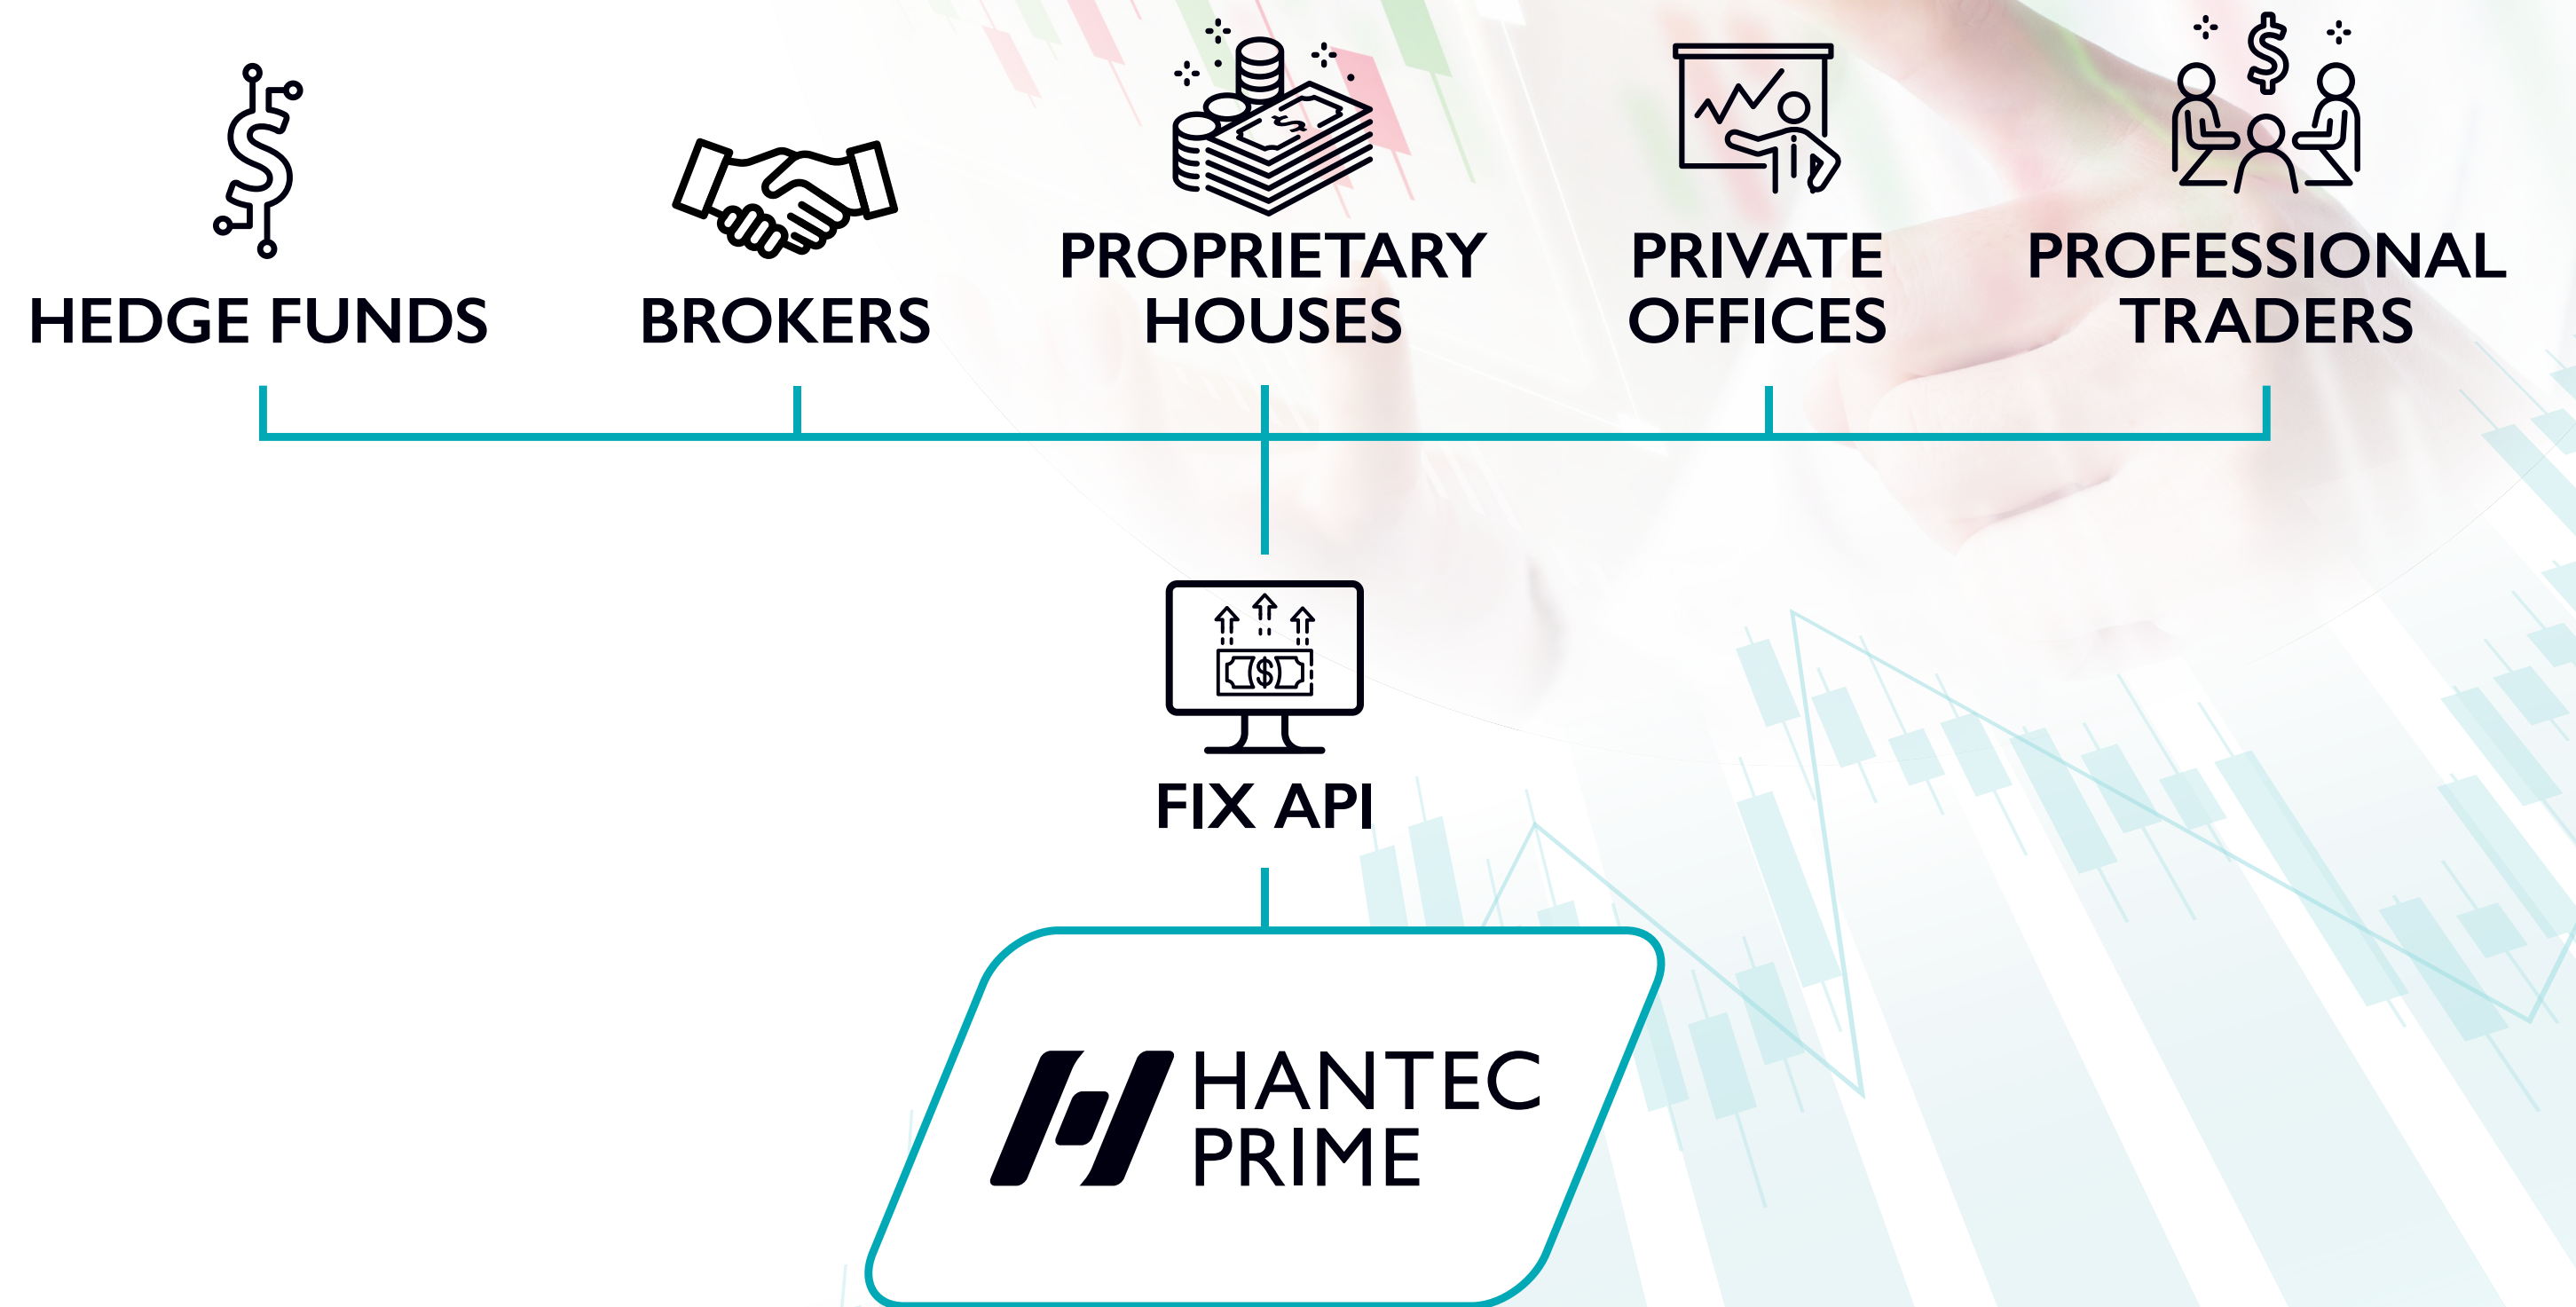

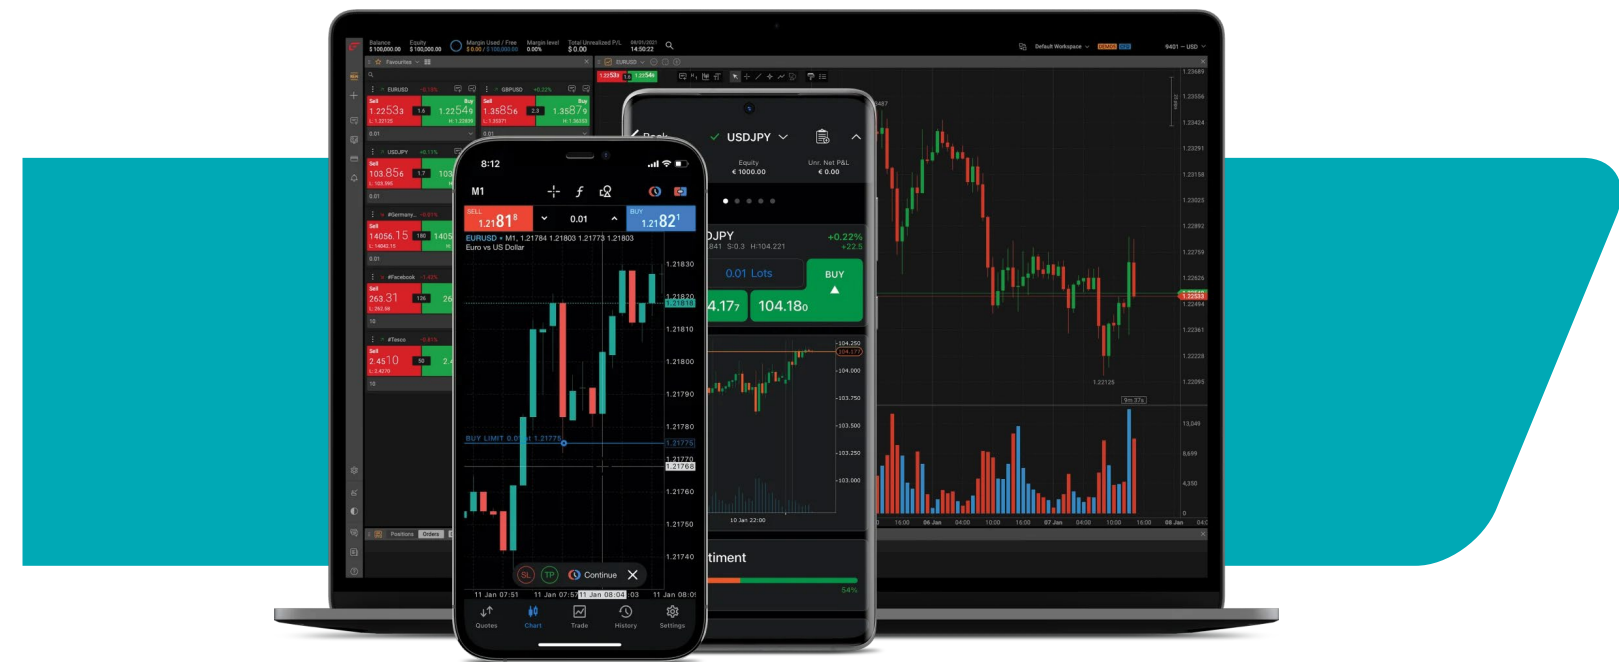

## HANTEC FIX API PROGRAM

Wherever you are in the world, it will be fast and simple to plug into Hantec's FIX API to tap into the best possible speed and access. Hantec FIX API unlocks instant financial information exchange between client, broker and liquidity providers, allowing you to connect your proprietary trading systems directly to the market.

By integrating our FIX API into your own proprietary trading system, you will reduce technological friction to speed up trades and make sure you always get the best possible liquidity and rates.

# VIBRANT STRATEGIC PARTNER ECOSYSTEM

## ADDING VALUE FOR YOUR ORGANISATION

Hantec Markets is constantly building and refining our unmatched global ecosystem of exceptional partners and service providers who complement our services and create additional value for our clients.

### TIER-I LIQUIDITY PROVIDERS

Our extensive relationships with a broad range of liquidity providers ensures deep liquidity, seamless execution and competitive spreads.

Your funds are always in good hands with Hantec Markets. We partner with high credit worthy institutions, such as Barclays, Natwest and BMO Harris Bank, while further minimising risk by ensuring that your funds are never held in a single institution. To maintain the highest standards of safety and security, our funds are held in segregated client accounts, which means they can never be used for any other purpose and can't be mixed up with our own cash reserves.

### SOME OF OUR PARTNERS:

- **Barclays**
- **Natwest**
- **BMO Harris Bank**

At Hantec Prime, we consider price, cost and speed when assessing the quality of execution. Depending on your trading style, the products you wish to trade and the method of your trading, we may use high quality liquidity providers tailored to your trading needs.

In the unlikely event that you wish to trade a product that we are unable to offer, we will source an alternative provider.
